LOOKING FOR MORE
THAN A RELIABLE
WEB HOST?

About Us

Bails Soft offers shared web hosting, reseller hosting, vps hosting, dedicated server hosting and domain registration services to businesses and individuals. Bails Soft provides reliable service and dependable support as the foundation of our operation. We believe in providing seamless service and a friendly, reachable support to meet the standards that we set for ourselves.

OUR GOAL

Our goal is to help users find what they need & continue to evolve with new initiatives dedicated to continually improving quality and relevancy. We help users get the precise results they seek and our packages are all filled with the

tools necessary for you to establish an online presence. All of our customers benefit because they have all the resources available to maintain and expand their website without any restrictions.

DON'T TALK SALES. It's always about the customers' who use our product and how we care about them and make them happy with our services.

Disclaimer

BAILSSOFT will not be responsible for any damages your business may suffer. Bailssoft makes no warranties of any kind, expressed or implied for services we provide. Bailssoft disclaims any warranty or merchantability or fitness for a particular purpose. This includes loss of data resulting from delays, non-deliveries, wrong delivery, and any and all service interruptions caused by Bailssoft and its employees. We strongly recommend all of our customers to do their own backups of website files, database & emails to ensure they have ready access to their data in the event we should have a hardware failure. Though we do not expect anything like this to occur, we want you to be prepared in the event that it does. Bailssoft reserves the right to revise its policies at any time.

BAILSSOFT also reserves the right to cancel or suspend your account with 24 hours' notice should an event occur in which proper evidence exists that a customer was exceptionally rude or vulgar in communications with our staff.

By using BailsSoft domain and hosting services, you agree to the above terms of service as in effect from time to time

Conclusion

We look forward to working with BAILSSOFT and supporting efforts to improve your manual operation with domain and hosting. We are confident that we can meet the challenges ahead, and stand ready to help you in delivering an effective domain, email and hosting

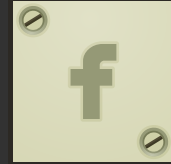

We are committed to serve your organization that may benefit from our offering. We look forward for a positive and long-terms business relationship with your organization.
